

Rubbish sorting Activity

Overview: This activity can be used to teach about the proper disposal of unwanted items. This activity includes a large variety of items and disposal options to allow the user to choose the most appropriate items for the learning objective. Cut out and sort these unwanted items into the relevant collection containers.

Tips: Only the following items can be recycled in the yellow or blue lid Auckland Council recycling bins.

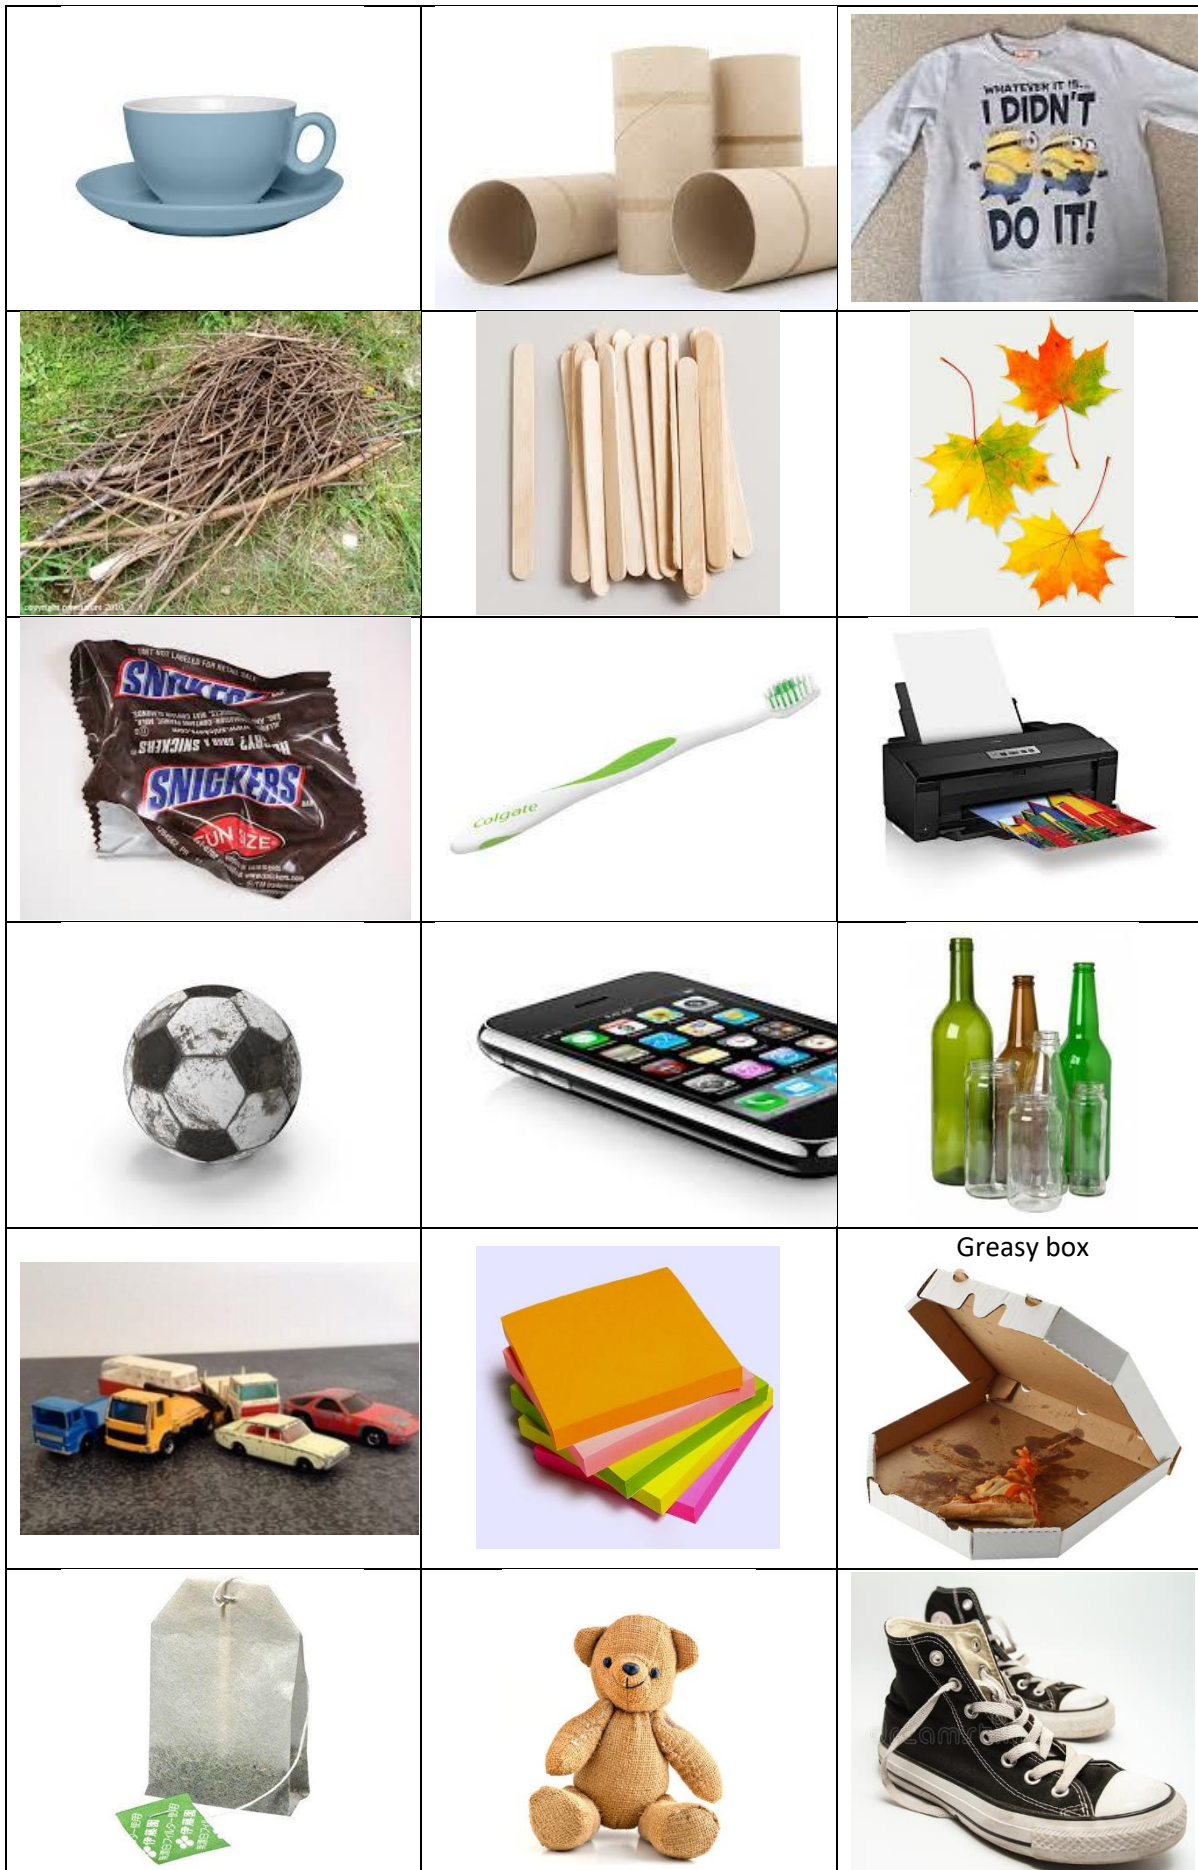

Yogurt pot, paper pamphlet, milk carton (paper and plastic), clean boxes, glass bottles, clean aluminum foil, fizzy drink can, tin can, plastic Marmite container, newspaper, single-use plastic bottle, empty Weet-Bix box, toilet role, empty shampoo and conditioner bottles, posted notes, old notebooks, clean plastic meat tray (black, not Styrofoam).

If you have questions about any of the items about this activity, please email sustainableschools@aucklandcouncil.govt.nz for clarification.

		
		
		 Scojo New York
	 6L or larger	
		
		 Silk tea bag
