CHIPPER SHREDDER

Built strong for high performance. Built smarter for ease of use.

TOUGH OUTDOOR EQUIPMENT FOR YOUR CHIPPING NEEDS

Take care of trees, yard debris, and green waste (hedge clippings, old plants and leaves) in your back yard, lifestyle block or farm. The TIGER Chipper Shredder is a versatile, easy to use all-in-one chipper shredder, that chips branches up to 70mm in diameter, and shreds green waste to a fine mulch. The cleverly designed, single diamond-shaped chute feeds easier, for simpler, more comfortable use.

DIAMOND-SHAPED CHUTE

- Diamond-shaped feed chute for easier feeding
- Single infeed chute for BOTH chipping and shredding
- Up to 70mm branch capacity.

EASY COLLECTION

- Adjustable, raised output chute to direct your mulch to the wheel barrow, trailer or garden bed

EASY TO MOVE

- Large, comfortable, integrated handles for easy movement
- 11" Pneumatic wheels for increased manoeuvrability and transport around the property

KEY FEATURES

Chipping and Shredding in a single chute

Raised exit chute

Fixed gate for consistent, fine mulch

Secondary angle on feed chute entry for smoother feeding of branches

Honda Powered Engines

Diamond shaped chute for easy feeding

Double-edged chipper blades, shredder knives, and reversible anvil

CHIPPER SHREDDER

Built strong for high performance. Built smarter for ease of use.

CHIP

Two 80mm, offset blades chip branches up to 70mm in diameter, into smaller, manageable sizes for faster composting.

SHRED

Six double-edged shredder knives mulch green waste in the same chute. No unnecessary separation of branch and green waste.

REDUCE AND RECYCLE

Two fixed gates hold garden waste in the cutting chamber, producing finer mulch for greater volume reduction and faster composting.

LOW MAINTENANCE

- Double-edged chipper blades and anvil for extended life of wearable parts
- Manufactured from tough abrasion and wear resistant tool steel

- Double-sided flail shredder knives for extended life of wearable parts
- Manufactured from long lasting hardened carbon steel

- High performance, reliable Honda engines (200cc and 270cc).

ACCESSORIES

REMOVABLE DRAW BAR KIT

Tool-free installation and removal. Just insert, twist and go!

1) Insert spring loaded draw bar into guide on base.

2) Turn until it clicks.

3) Connect to your mower and go.

TIGER TURNTABLE COLLECTION KIT FOR WALKER GHS MOWERS

Connect the TIGER turntable collection kit to the Walker mower, as with the Draw Bar Kit. Then simply rotate the TIGER Chipper Shredder a quarter turn, to collect the mulch into the Walker GHS Catcher box.

1) Insert the TIGER catcher door into the Walker GHS Catcher box.

2) Lift the turntable locking pin and rotate the TIGER Chipper Shredder a quarter turn, and adjust the output chute height to the correct position.

3) Start collecting your garden waste for removal.
